Comments & Reason for Decision:

Pro had control over the round, but neg also had great evidence and warrants. Great round overall.

Comments & Reason for Decision:

The con side won this debate by showing that US pressure towards a two state solution ~~is~~ has a net benefit.

Both sides agreed that the frame work for the debate was based on if a 2 or 1 state solution ~~was~~ is better and the con side proved that they solved for all the issues pro had with the status quo ~~including~~ including economy, terrorism and feasibility.
