Is this a low point win? <u>NO</u>		_____ School / Affiliation / Occupation	

Comments & Reason for Decision:

1:55

- great inflection
- well rehearsed
- consistent speed
- watch "um"s in ex
- use time more wisely (only used 3:22 of your 4 min speech)

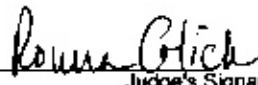

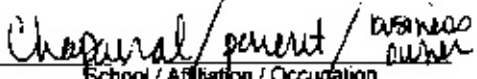

Hanh Li

- don't ask questions that you don't know the answer to - aka,
- watch buffer words/noises (throat clearing, um, etc.)
- confirm that judge is ready before speaking
- use time more wisely (only used 4:33 of your 6 min speech)

**RFD:** both sides argued well, and the win goes to the Aff. The first reason is representation in govnt. 1/2 of the examples were of civil rights movements, where colored people did not have suffrage. NEG also conceded in ex that minorities are still not represented as well. Violence also went to Aff based on Thoreau's def. of civil disobedience.

The winner of this debate was <b>Affirmative</b> Negative (Circle Winner)		<u>Adam Khan</u> Judge's Signature	
Is this a low point win? <u>No</u>		<u>Pinnacle HS</u> School / Affiliation / Occupation	

Comments & Reason for Decision:

- Good volume and articulation
- Overall solid CX answers, careful with India's gov
- Good leading questions, trying to get the neg to concede something for later
- Good usage of govt can the flaw
- Expand more on the long term impacts of MLK, don't assume that the result is "good"

- Tie in arguments to framework better felt like an attorney

- Good volume and articulation may want to read slightly faster
- Well done pointing out India as not a democracy
- Why does it matter that we violate the law? Show impacts
- Spend more time in VC closing
- Careful with stating that the law determines morality.
- Solid responses in CX, didn't concede

Ultimately I didn't buy into the argument that the law should always dictate morality. I also couldn't buy into the idea of marches and protest not being Q.

Comments & Reason for Decision:

AC before each speech, ask if judge and opponent are ready  
 Format case better.

Use contentions.

The Neam Chomsky card was not needed

But good warrants.

\*I am good w/ ~~read~~ fast speaking bc in varsity people speak extremely fast - but, if you have a parent judge you may want to slow down.

CF speak louder when asking questions  
 Good questions though

few every speech, Don't cross arms and don't sway

AR Don't make ground randomly,  
 - too much time spent on opponents case.  
 - EXTEND YOUR CASE  
 - weigh FW

RFD Given orally

CF Try to not use prep before CR

NC

\*You don't have to say which essay or paper an author said the quote in.

\*The his boycott was CD. Don't use that. Warrant it better if you are going to keep it

\*The area was in favor of CD.

CF stand -> more authoritative psychological

NR

ask if I'm ready  
weigh FW -> start each speech by saying this.  
 attach his case again

- vote on NC FW, but aff links better
