Comments & Reason for Decision:

I vote neg for solvency take out.  
 The aff isn't answering ANY indictments  
 the neg is making about the aff  
 The aff lacks a clear, cohesive story about how they solve and why. - 1AR was incoherent  
 2AR needs more prep to collect thoughts so time is not wasted in last speech. 2AR needs to pick a ~~specific~~ ~~one~~ ~~idea~~ and stick to it to convince me  
 stasis with date for them
