

Winter Trophy Scholarship Request Form

If at any point you won an event at Winter Trophy, you are eligible for a \$100 scholarship to any college you choose to attend. This applies to all events except for novice ones. The scholarship must be paid out directly to the school you are attending, so in order to process any request I will need the following information.

Student Name:

High School Attended:

Event(s) Won (include years):

College Attending:

(College) Student ID number:

Address to send check to (Must be directly to the college and not to a personal address. Check if there is a specific address for scholarship processing please!):

You can claim your scholarship at any point within five years of earning it. The scholarships do stack if you have multiple ones; just indicate as much in the events(s) won line item and the ASDCA will send \$100 per event won.

If you have any questions, please do not hesitate to reach out.

Regards,

Nick Leonardi

ASDCA Treasurer
